

## **Sea Cadets Online Shop Launches Today!**

You can now shop online for most of your Sea Cadets items.

Visit: [www.seacadetshop.org](http://www.seacadetshop.org)

You will find a number of new clothing items available for Juniors, Sea Cadets and volunteers with the option to customise them with a unit crest or name. Also available for purchase are existing items like badges, boat parts and other accessories.

It couldn't be simpler to sign up, all you need is an email address to create an account, set up a password and you're ready to shop.

Payment is easy too; we now accept PayPal, credit/debit cards, cheques made payable to Marine Society and Sea Cadets or on collection from stores.

For further shop enquiries you can contact Stores on [SccStores@ms-sc.org](mailto:SccStores@ms-sc.org)

Any postal orders received beyond today (February 1) will be returned to the sender.

As ever we welcome any suggestions you may have for future improvements. We look forward to this exciting new venture and thank you for your continued support and patience throughout this transition process.
