

## **Cadet 150 – Tree Planting Project**

Plant trees this autumn and help to enhance your local environment. In partnership with The Woodland Trust, free tree packs are once more available to cadet units as a “green” feature of Cadet 150. During the first phase of the project over 75,000 trees were planted including 13,000 on local unit sites, well on the way to achieving the target of 150,000 by the end of the next planting season which runs from November to March 2011. Tree packs can be requested on-line as follows:

30 tree pack – <http://www2.sainsburys.co.uk/ACTIVEKIDS>  
105 / 420 tree pack – <http://woodlandtrust.org.uk/en/plant-trees/help-advice/Pages/tree-for-communities.aspx> (register under Clubs)
