

The Marine Society & Sea Cadets

Non Completion of SCIQ Course

The following paragraph is taken from the 2008 edition of SCRs. It remains in force for all uniformed instructors who joined the SCC prior to Feb 2009. It should be noted that SCIQ Courses will cease in 2011.

The SCIQ Course is compulsory for all uniformed instructors and must be completed and passed within 3 years of an instructor's enrolment (in uniform). If it is not completed within this time, the instructor's appointment may be terminated or the individual may be transferred to a CI status. AOs have discretion to extend the period for completion to 5 years but at the end of that time CSC may automatically terminate appointments unless an overwhelming case to the contrary is made by the AO. Uniformed Instructors who have not completed the SCIQ course cannot advance or be promoted.
