

### **Ask the Captain**

I am keen to use every means possible to improve communications within the Sea Cadet Corps. Starting this month, any cadet or adult volunteer may email me directly at [Ask\\_the\\_captain@ms-sc.org](mailto:Ask_the_captain@ms-sc.org). Emails should contain a brief question or issue and state clearly who the email is from. You will appreciate that I do not want to become bogged down with matters that Unit COs, District or Area staff should be dealing with. However, I do want to hear your genuine thoughts on new initiatives, the state of the Corps and the direction it is going, be that positive or negative. I will not answer individual questions but will use them to judge on a monthly basis what the Corps is thinking about and provide a general response each month on the T&A site. If this does not work sensibly I reserve the right to withdraw the service, so I look to each and every one of you to use this channel wisely.
