## CHANGE TO CADET FORCES MEDAL (CFM) REGULATIONS

MSSC HQ has been informed by the Ministry of Defence (MOD) of a change to the CFM eligibility criteria for 12 year's service, to be effective immediately.

Aggregated service **is no longer acceptable** and the 12 years qualifying service must be continuous. Small breaks in service will be acceptable under certain strict conditions.

SCRs and Form P4 will be amended to show the fine detail during the next month and the Admin Department will manage applications appropriately as they are received.
