KGVI Advanced Course – Changes to the Application Process

The KGVI Advanced Course is conducted by CTC Frimley Park on behalf of the ACF and CCF and places are made available to a limited number of Royal Marine Cadet staff to enable them to qualify for promotion to Colour Sergeant or Captain. In order to ensure that places are allocated according to priority (ie to individuals otherwise qualified and close to promotion) direct Westminster bookings will no longer be accepted.

Applicants should now complete the form at Annex A, which is then to be sent via the Coy Cdr to the Marine Cadet Training Officer (MCTO) (grobinson@ms-sc.org) at MSSCHQ. He will assess the application and, if approved will make the Westminster booking and inform the applicant and other signatories.

Should the applicant be assessed as a low priority the MCTO will return the form via email to the applicant and other signatories and detail any additional preparation (ie courses or pre-study) required prior to the candidate re-applying.

This change of process is regretted but is necessary to ensure that only the best-prepared candidates are put forward for this course, and that best use is made of the limited number of course places available.
