Message from CSC – Royal Marines Cadets

Second Sea Lord in a letter to Colonel Paul Cautley has said – “I wanted to write and congratulate you most warmly on the tremendous step forward that you have just achieved for the Royal Marines Corps. Namely, after a full nine years of sustained efforts on your part, they finally have within the Corps a Royal Marines Cadet capability that reflects their own standards, values and ethos, and of which they can be hugely proud. This would simply not have happened without your vision, and dogged determination to overcome repeated setbacks. I am personally delighted at the result, and I know I share this with all those who have an interest in the well-being and future development of our Cadet forces and of the Royal Marines family as a whole. Very well done to you and thank you”.
