

EASTERN AREA TEMPORARY MEMO 03/11

25 January 2011

**EASTERN AREA SUMMER CAMP 2011**

1. The Eastern Area Summer Camp will be held on board HMS BRISTOL, in HMS Excellent, Portsmouth from Sunday 31 July to Saturday 6 August 2011 and will take the same format as in previous years.
  2. In order to programme courses there is a requirement to know what staff wish to attend, together with their choice of course they wish to instruct and qualifications held in support of the application.
  3. Applicants are to complete the attached application form stating their choice of courses in order of priority. In addition to qualified instructional staff there are always places for staff to assist with instruction. This is an ideal way for staff to obtain an insight into specialization / proficiency training. Likewise, places are available for logistics staff.
  4. In previous years there have been problems with cadets who are on camp and have no instructional staff from their own Unit with them. In order to alleviate this problem, cadets will only be permitted to attend if there is staff from their own Unit attending. (This can be any fully enrolled member of the corps from CI upwards).
  5. Applications on the attached Annex A to:  
  
DATO (C) Lt (SCC) S Dunn RNR
