EASTERN AREA SUMMER CAMP 2012

1. The Eastern Area Summer Camp will be held on board HMS BRISTOL, Portsmouth from Sunday 29 July to Saturday 4 August 2012 inclusive and will take the same format as in previous years.
2. In order to programme what courses are to run, there is a requirement to know what staff wish to attend, together with their choice of course they wish to instruct and qualifications held in support of the application.
3. Applicants are to complete the attached application form stating their choice of courses in order of priority. In addition to qualified instructional staff there are always places for staff to assist with instruction. This is an ideal way for staff to obtain an insight into specialization / proficiency training. Likewise places are available for logistics staff. There is a particular need for staff with waterborne proficiency qualifications, especially Senior Instructors.
4. As in previous years cadets will only be permitted to attend if there are staff from the Unit attending. (This can be any fully enrolled member of the corps from CI upwards).
5. Applications on the attached Annex A to:

SSO Cdr (SCC) K W Bingham RNR
To Home Address - Details as published in the Area Directory

Email replies on Annex A will suffice.

Closing date for applications is 16 MARCH 2012

6. VA for the camp will be in accordance with Area policy at the time.
7. Cancel this EATM on 5 August 2012.
