

This is to certify that:

## **The Marine Society & Sea Cadets and affiliated Sea Cadets Units**

**Achieved the Sound Systems standards**

**On 1st July 2010**

The accreditation is given to organisations that have developed policies and practices in safeguarding and child protection which meet the Sound Systems standards.

These include:

- Organisations policies and procedures
- Reporting concerns, suspicions and allegations
- Safe recruitment and selection
- Managing paid staff and volunteers
- Providing education and support

**NCVYS Chair - Kanchan Jadeja**

**Valid until 01 July 2013**

Sound Systems accreditation scheme is an initiative of the National Council for Voluntary Youth Services (NCVYS). NCVYS does not, however, take responsibility for individual or organisational misconduct within accredited organisations.

The Sound Systems standards have been recommended by the Department for Children Schools and Families and developed nationally by the 4-Nations Voluntary Network.
