Foreword

These notes are produced to assist both Staff and Cadets with Seamanship Training, to provide an individual ready reference for subjects contained within the Sea Cadet Training Syllabus. They are by no means a definitive reference manual with comprehensive notes; they are however produced to a level required for Sea Cadets reference.

Diagrams and some items of text have been produced from BR67 (1995) (© MOD 1995), with kind permission from Commander in Chief Fleet, Fleet Staff Authors Group.

These notes must not be released for public sale.

(As a requirement of Copyright from Fleet Authors Group, all reproductions must contain this acknowledgement).
